Knowledgeable, reliable, and friendly.  
Couldn't recommend highly enough.

TIM SCHOFIELD, ARTIST

“

Dale has helped me to create three amazing journey maps along with an email template for my small business. He has advised me along the way, been super responsive, listened and implemented exactly what I wanted.

# Why choose us?

We have been Mailchimp partners since early 2020, and with that comes a host of benefits that we can pass on to our clients, including:

## Premium support from Mailchimp

We have access to a dedicated support team that helps us to resolve issues even faster.

## Exclusive partners-only content

As a partner, we have access to exclusive content like product roadmaps, training, webinars, and more.

## Early access to brand new features

Partners are among the first to try out new features in Mailchimp, which means we can inform you before anyone else.

## Work with a Mailchimp expert

Contact us today and take the hassle out of your email marketing. We look forward to hearing from you.
